Savannah Coastal Refuges Complex Annual Hunt Permit

All hunters, 16 years of age or older, are required to purchase the annual hunt permit in order to participate in any of the hunts on this schedule, with the exception of the mobility-impaired hunt and all youth hunts. This permit will allow hunters access to all "non-quota" hunts on any of the following national wildlife refuges: Blackbeard Island, Harris Neck, Savannah, and Wassaw NWRs. Annual Hunt Permits are \$25, non-transferable, and valid for the current hunt year only. Please visit refuge web sites for detailed information on how to purchase a permit*.

Hunters who wish to participate in the Pinckney Island NWR gun hunt must submit an application (\$5 application fee will be charged) in order to be entered into the lottery drawing. Successfully drawn hunters will then be required to purchase the \$25 annual hunt permit. It does not need to be purchased in order to apply. For details on how to apply for the Pinckney Island NWR gun hunt, please visit the refuge web site*.

Youth and mobility-impaired hunters are not required to purchase the Complex annual hunt permit; however, an application fee of \$5 will be charged for entry into any quota hunt drawing (youth waterfowl hunt, youth Hunt & Learn Weekend for turkey, and mobility-impaired hunt). Please visit the Savannah NWR web site to download information packets on these specialty hunts, as well as apply for quota hunts*.
